

REMARKS

Claims 1-15, 17-61 and 63-75 are pending in the application.

Claims 14-15, 17-48, 60-61 and 63-75 are withdrawn from consideration.

Claims 1-2, 4-6, 11-13, 49-50, 52 and 57-59 are rejected.

Claims 3, 7-10, 51 and 53-56 are objected to.

The office action dated July 25, 2008 indicates that claims 3, 7 and 9 recite allowable subject matter, and would be allowed if rewritten in independent form. These three claims recite different types of manufacturing facility data that is requested from legacy servers.

Claim 1 has been amended for clarity. Claim 1 has also been amended to recite legacy data that includes at least one of the data recited in claims 3, 7 and 9. Claims 3, 7- 10 and 24 have been amended to depend properly from amended claim 1. Amended claim 1 and its dependent claims 2-15 and 17-24 should now be allowed.

Claim 49 has been amended for clarity. Claim 49 has also been amended to recite legacy data that includes at least one of the data recited in claims 51, 53 and 55 (which also recite allowable subject matter). Claims 50-51 and 53-58 have been amended to depend properly from amended claim 49. Amended claim 49 and its dependent claims 50-51, 53-61 and 63-71 should now be allowed.

Claims 26-48, 52 and 72-75 have been cancelled.

The Examiner is encouraged to contact the undersigned to discuss any remaining issues before mailing another office action.

Respectfully submitted,

/Hugh Gortler #33,890/
